

Research Interests: Impaired (aphasia, dementia) and non-impaired language production and processing, Argument structure, Verb semantics, Verb inflection (tense, aspect, negation, modality), Effects of animacy and context, Experimental syntax

Studies/Education

2007 – 2013 Doctoral Studies, Aristotle University of Thessaloniki, Greece

Dissertation Title: „Argument structure and verb inflection: a comparison between Greek-speaking patients with aphasia and semantic dementia“

2003 – 2004 European Masters in Clinical Linguistics, University of Potsdam, Germany

Title of Master thesis: „Production of Greek Modal and Negative Markers in Agrammatic Aphasia: A Preliminary Investigation“

1997-2002 B.A. Greek Philology, Major: Linguistics, Aristotle University of Thessaloniki, Greece

Working Experience

- **Since October 2014-** Post-doctoral Research Associate, Research Unit „Relative Clauses“, Goethe University Frankfurt/Main
Project: Comprehending relative clauses
Head of the project: Prof. Markus Bader
- **Februar 2012 – September 2014** Research Associate (Wissenschaftliche Mitarbeiterin), Goethe University Frankfurt/Main (Research and Teaching)
- **November 2010 – September 2014** Assistant in the project **Special Subject Collection Linguistics - Bibliography of Linguistic Literature** of the German Research Society (DFG), Johann Christian Seckenberg Universitätsbibliothek Frankfurt/Main
- **Februar 2005 – April 2007** Editor at the Publishing House Patakis (Project: Dictionary of the Greek Language)

Teaching Experience

As research assistant in the University of Frankfurt/Main:

- Introduction to Aphasiology (summer term 2012) (BA Linguistics)
- Lexicon (winter term 2012-2013) (MA Linguistics)
- Introduction to Psycholinguistics and Neurolinguistics (summer term 2013, summer term 2014) (BA German Language and Literature)

- Acquired Syntactic Disorders (winter term 2013-2014) (MA Linguistics)

As guest lecturer:

- Lecture at the specialisation course II of the module *Language disorders and educational intervention* of the master's program *Language and Culture Sciences* in the Department of Italian Language and Literature
- Lecture at the master's program *Interdisciplinary approach to developmental and acquired language disorders* of the Department of Speech and Language Therapy of the Technological Educational Institute of Epiros
